

MASS STIPENDS

Mass Stipends.

Many diocesan priests as well as missionaries serving our parishes, institutions, and communities depend on Mass Stipends to support their pastoral ministry. This places them in a very fragile position and can make it even more difficult for poor communities to receive the pastoral and sacramental care.

If you have any Mass Stipends to offer, kindly send some to the National Office of the Pontifical Mission Societies in Zambia. We shall distribute them to the Bishops and Priests.

Address the offer of Mass Stipends to:

*The National Director,
Pontifical Mission Societies,
P.O. Box 31965,
