

# Mission Appeal

*Why Support the Pontifical Mission Societies?*

**Prayer:**

*All faithful are encouraged to pray for the missions. In doing this, they are united with millions of people over all the world that offer their time and sometimes their own suffering for the mission of the church all over the world.*

*“Faith is strengthened when Shared”  
Pope John Paul II.*

**Sharing:**

*It is a privilege to share our gifts and resources with our brothers and sisters all over the world. Donations made to the Pontifical Mission Societies go directly to support the pastoral programs of the mission dioceses.*

*Can you help the Pontifical Mission Societies in their unique work of building the Catholic Church? Any donation you make will help the church to offer pastoral care.*

*If you wish to send a contribution for the mission, kindly address your contribution to.*
